Members Only Access

First, you must be a Member of the Talbot Kennel Club. Once your membership has be voted upon you are eligible to gain access to the Members Only section of the website. To do this please complete the following step:

- On the top right-hand side of the TKC Homepage you will see "***TKC Members register/sign in here***", and below that you will see; ***login/sign up***. Click on that. This will prompt you to set up a User ID and Password. This is completely of your choosing – but please write it down or save it in a safe place.

Once you've set up your username and password, the request is sent to the Membership Chair. When the Membership Chair approves your access, you will receive an email, and you will then have access to the Members Only section of the website. This area includes Building Use guidelines, Contingency Fund, Forms, Meeting Minutes, Attendance & Volunteer Hour tracking, and a contact list of all the current members.
