Mask Policy: Masks that cover nose and mouth will be required when in the ring area, including during all briefings, course builds, walk - throughs and warm-ups. When you are running, you may lower your mask, but it must fully cover your nose and mouth before you exit the ring after your run. Crown does not require masks in “shared areas” but please use your best judgment when outside the ring. At the request of our VMO, you must wear a mask if you are having a dog measured.
