Lee Carr, DVM, VSMT

Let me introduce myself, I am Lee Carr, DVM, VSMT. I have been a veterinarian for 38 years and a veterinary chiropractor for 11 years. My chiropractic training was done at Healing Oasis in 2011. I returned for an advanced course in 2019. Healing Oasis is known for the large amount of hands-on training. Sue Ann Lesser was one of my instructors. I also compete in agility. I am the owner of a sport training facility, so get to see many sporting dogs. I am pleased to be able to provide chiropractic services for a new location. First visit dogs are \$60. Previous client and repeat clients will be \$50 a dog for the first 2 dogs in the same household. \$45 for 3rd dog or more dogs in the same household. I will be using a new app designed especially for veterinary chiropractic that will allow me to email you a report of your appointment. Easy to send to a specialist or your regular veterinarian if needed.

Thank you,

Sally Kepfer
