

October 2024 Standing Rules

(Approved 10/07/2024)

Organizations benefit from establishing formal rules to fairly and effectively manage operations. Two types of governing instruments, bylaws and standing rules, detail specific policies and procedures to be followed by decision-makers in the conduct of business. Despite having the same functional objective, however, these two instruments complement each other and are not interchangeable. Bylaws are usually drafted at an organization's inception, while standing rules tend to be established as needed by committees or other subsets of management. Bylaws govern the organization as a whole and can be amended only by providing notice and gaining a majority vote. Standing rules can be adopted at any meeting without notice and can pass upon a simple majority vote of people in attendance. Standing rules are rules or resolutions that are of a continuing (or standing) nature. These rules deal with administrative matters and function under the umbrella of the organization's bylaws. Bylaws and Standing Rules are interrelated; however, their relationship is strictly hierarchical. Provisions in the bylaws always supersede any standing rule that may be adopted.

CLUB YEAR

The Club's fiscal year shall begin on the first day of March and end on the last day of February. For tax purposes the year runs from the first day of February and ends on the last day of January. The Club's official year shall begin immediately at the conclusion of the election at the Annual Meeting and shall continue through the election at the next Annual Meeting.

MEETINGS

Typically, meetings are conducted in person, at either the TKC Club House or other designated location. However, if mandated by the State or local government, meetings may be conducted by Zoom or comparable Internet means, by telephone or by other electronic communication. If a quorum is verified, all actions and votes taken will be considered valid.

Annual Meeting

The Annual Meeting shall take place in February, at which time the election of officers will take place. The Corresponding Secretary will notify all members of the date, time and location by e-mail or post, at least 15 days prior to the meeting. Members who have attended at least one meeting and are eligible to vote shall be sent the final slate of nominations.

General Meetings

General membership meetings will be held the first Monday of April, June, August, October and December. Meetings will take place at the TKC Club House at 7:00 PM unless the membership is otherwise notified, by e-mail or post, of a change at least 10 days prior to the meeting date. At the December Holiday Meeting, where food is served, no dogs are allowed other than "service" dogs.

Board Meetings

Board Meetings will be held in March, May, July, September, November and January. The Board shall meet within 15 days after the Annual Meeting and Election for the purpose of appointing committee chairpersons. Additionally, each year at the January Board Meeting, the Board shall confirm Show Chairpersons for the following year's All-Breed Shows, Agility Trials, Obedience/Rally Trials and any

additional proposed activities such as Barn Hunt, Scent Work or Earth Dog Trials. Notification, in writing, by phone or by e-mail, will be made at least five days prior to the date of all Board meetings. The notification will include time and place of such meetings. Meetings may also be held by conference call or Zoom (or comparable) at the Board's discretion.

ELECTIONS

Specifics for the conduct of elections are found in Article V of the Bylaws. Nominations can only be made at the December General Membership Meeting and elections are held at the February Annual Meeting. Only members in "Good Standing" may vote at any election. Any election requiring a secret ballot will be done in such a manner that the ballot cannot be traced to its origin. No write-ins will be allowed during the election of Officers or Board of Directors. Should a tie occur during the election of Officers and Board of Directors, a tie-breaking vote will take place with a show of hands of the members in "Good Standing". The individuals affected by the tie will be asked to leave the meeting as the tie-breaking vote is taken. If any or all nominees are running unopposed, a single vote for that nominee or for the slate will be cast by the Corresponding Secretary.

MEMBERSHIP

Each applicant for membership shall apply for membership by filling out a TKC Membership Form. In order for the application to be considered, all areas of the form must be completed. In addition, the applicant shall obtain the endorsements and signatures of two TKC members considered to be in "Good Standing". Accompanying the application, the prospective member shall submit dues payment for the current year (see below). Dues on any application for membership received after August 1st of any year shall be one-half the annual dues.

Family membership includes the immediate family: any person and his or her spouse or significant other (life partner) and/or his or her children residing in the same household. Each member of the immediate family who wishes to become a member must apply on an individual application and will be voted on separately.

All applications are to be read at the first general meeting of the Club following their receipt. Applicants for membership are required to attend at least one meeting of the Club, preferably the one at which the application is read, prior to any action of the Club. At the next Club meeting, the application will be voted upon and affirmative votes of three-fourths of the members present at that meeting shall be required to elect the applicant.

Dues

During the month of January, the Membership Chair will send each member a statement of dues for the ensuing year. Annual membership dues shall be payable on or before the 1st day of March each year. Dues must be paid by check or money order and submitted, along with the TKC completed Membership Renewal and Dues Payment Form, to the address printed on the form. No dues will be valid unless this procedure is followed.

Regular Single Membership - annual dues are \$30.00.

EDUCATION

TKC Member Instructors

Instructors and Assistant Instructors will receive a stipend of \$30.00 per class hour taught. A minimum of six or more dogs per class is required before an Assistant Instructor receives compensation. The Education Chairperson may waive this requirement depending on the type of class.

Instructors are broken down into three levels:

Apprentice Instructor: These individuals have a desire to teach a training class. They must be approved by the Education Committee and must apprentice for at least two sessions with an approved Instructor. As they learn how the class is to be taught, they will assist the Instructor with the class, but will not be considered an Instructor. Apprentice Instructors will not be eligible for any monetary compensation or credits. Upon approval of the Education Committee, the Apprentice Instructor will move to the level of Assistant Instructor.

Assistant Instructor: These individuals have served as an Apprentice Instructor, but are not fully qualified to teach on their own. They are knowledgeable of rules, regulations and/or standards of the class they are working towards teaching. They must have assisted in teaching with a full Instructor for a minimum of two sessions before they can move to the next level. Assistant Instructors may fill in for the Instructor, if necessary (sick, work, etc.) at the discretion of the Instructor.

Instructor: An Instructor is deemed to be fully qualified to teach students after having successfully trained and competed for at least two years. An Instructor must be knowledgeable of the rules, regulations and standards of the class they are teaching. Instructors who have trained an Assistant Instructor must assist the new Instructor for the first class the new Instructor teaches. The Education Committee can waive Instructor requirements if the committee deems that the person wanting to be an Instructor has the skills and experience necessary to effectively teach a class.

Outside Instructors

All proposed Outside Instructors must be submitted to the Education Committee for recommendation to the Board for approval **prior** to hiring of that instructor. Included with the submission should be the name and cost of the instructor, the course curriculum and the dates of the course. Approval will be on a case-by-case basis. Any Outside Instructor taught course must be offered to TKC members before offering to non-Club members. Cost will be as the Board deems appropriate.

Instructor Responsibilities

All instructors will collect funds for each class taught. A list of students and funds collected will be submitted to the Treasurer by the second class of the semester.

Instructors are responsible for setting up equipment as needed for each class and putting equipment away at the end of the class unless otherwise requested by another instructor. Instructors will ensure that all chairs are put away, trash is collected, no food left out, and lights and heaters/ACs adjusted as necessary.

If during any Talbot Kennel Club event an exhibitor, spectator or dog is involved in an incident that involves injury or possible injury, an email will be sent to the President by the instructor as soon as possible, but no later than 24 hours after the incident. Any serious incident will be reported to the President immediately. The email will include a description of what occurred, the name and contact information of the person/student involved in the incident, potential witnesses and responsible TKC personnel.

A course typically consists of six one-hour classes, held over a six-week period. Mini-courses of five or fewer weeks' duration or courses of seven weeks or longer duration may also be held at the

Any additional sessions will be at the regular rate, dependent on the membership status of the owner. Documented Humane Society or "rescue" dogs that have attended classes at the \$40.00 rate prior to October 2017 will continue at that rate per course indefinitely.

Exempt Members - \$50.00 (all courses).

Members with hours (at least 20 hours of service to the Club in the preceding 12 months) or exempt members will be given preference and placed at the top of any class waiting list. Any exempt member who signs up for a course and does not attend will not be allowed to sign up for the next course or must pay the full \$105.00 member fee if they wish to register in advance.

The decision to cancel a class due to inclement weather will be made by the individual Instructor. Notification will be made by email or phone no later than three hours prior to the time of the class.

Outside Instructor Taught Courses

There will be no limit to the number of courses taught by an Outside Instructor sponsored by the Club. The reimbursement of the Outside Instructor and the cost of the paid instructor courses will be determined by the Board on a case-by-case basis.

Seminars and Events

All proposed seminars and events must be submitted to the Board for approval **prior** to commitment to a presenter/instructor. Seminar availability must be offered to TKC members first, non-TKC class participants second (if applicable) and outside attendees last. Any Club seminar or event that will be held on the same date as another Club-sponsored event must have prior Board approval.

Independent Instruction

The Talbot Kennel Club has no objection to any member, Board Member, or Officer teaching or running classes (private, outside or independent classes) for profit. This does not constitute an endorsement by the Club of any Instructor. The classes must be conducted in a manner consistent with the Objectives of the Club as stated in its Constitution.

BUILDING USE & MAINTENANCE

The following rules, regulations and fees govern the use of the TKC building and facilities. These are guidelines only and may be changed if deemed appropriate by the Board.

For use of the building, the following rates apply:

Instructors and Exempt Members (not for profit) – no charge.

Member - \$10.00/hr. per person.

Non-Member - \$15.00/hr. per person.

Even if accompanying an instructor or exempt member, members and non-members owe the per hour rate. For independent use of the building, members must be members in "Good Standing" for at least one year and have logged 20 hours of volunteer service for the Club in the previous 12 months. Non-members must accompany a member with allowed independent access.

Member Instructors (for-profit) - \$20.00/hr.

For TKC Member Instructors who wish to give private, for-profit lessons. The lessons must be one-on-one.

Hourly Non-Profit Groups (e.g. for a meeting) - \$25.00/hr., 2 hr. minimum.

All-Day Non-Profit Organizations/Clubs - \$200.00/day, \$375.00 for 2 days.

No organization may use the building for profit without Board approval. All requests for "for-profit" organization use must be presented to the Board at least 30 days before the planned activity and cost will be set on a case-by-case basis.

For ALL building use, requests should be made at least 24 hours prior to the use by contacting the Building Committee. A Building Use Form must be filled out for each use. The Building Committee will try to balance the various requests for building use and members are expected to be flexible in accommodating the needs of all.

A TKC activity that necessitates the use of the building will take precedence over all other activities. The following priority is established for building use:

- 1) An instructor or exempt member scheduling the building for his or her own use;
- 2) Members;
- 3) Non-members;
- 4) For-Profit member instructor;
- 5) Non-member non-profit groups;
- 6) Non-member for-profit groups.

A pre-scheduled, pre-paid event, such as an hourly or all-day group meeting, would only be canceled or moved if TKC has a sudden need for the building.

After each use, all equipment must be put away and the building must be left clean, neat and organized. No equipment or other TKC property can be removed from the building without prior approval of the Building Committee or the Board. As weather dictates, turn off or set back A/C and/or heat.

AGILITY EQUIPMENT RENTAL

Agility equipment may be rented by a club or group with Board approval. Any request must be presented to the Board at least 30 days prior to the event. The minimum cost for rental of equipment is \$300.00, plus expenses (gas, tolls), with a delivery charge of \$100.00 payable to the Club member delivering the equipment. Electronic Timers can be rented for \$50.00 per set. All fees are on a per day basis. These are guidelines only and may be changed if deemed appropriate by the Board.

All equipment will be inspected prior to and immediately upon return. Any damaged equipment will be repaired/replaced by the group renting the equipment. A TKC member must accompany the equipment.
