

## LISA TRIPPETT

Lisa Trippett has been working with dogs and their people almost 30 years. As a veterinary technician she has a special interest in behavior and relationship building. She believes a good relationship is key to any training program and should be the core of getting started in any venue.

Lisa has successfully competed with her dogs in Agility, Obedience, Rally, Scent Work and Barn Hunt. She is proud of the fact her dogs have been adopted locally. She has proven whether purebred or not most dogs, through good training and perseverance can accomplish many successes in these venues and also earn Canine Good Citizen Titles and Trick Titles as well.

Lisa loves watching dogs and their handlers grow together; whether just looking to have fun and enrich their relationship, or working towards competing.

Lisa has taught classes ranging from puppy/family dog obedience through competition levels, as well as other venues including Scent Work, Rally, Barn Hunt and pre-agility/Focus. Lisa is also a Canine Good Citizen and Trick Test evaluator and an approved Farm Dog judge.
