CLASS DESCRIPTIONS

Performance Puppy Primer

Getting a new puppy is always exciting!!! Getting a performance puppy can be overwhelming!!! Balancing your training list with what is appropriate for your puppy to protect their mental and physical development! You want to get it right to build your puppy's confidence, body awareness, drive and motivation, listening skills, arousal management and impulse control! Oh my!!! Come join others puppy sporting enthusiast to learn games you can play with your puppy to help address many of these training areas!! Appropriate for puppy up to 9 months.

Attention & Connection Workshop

Come learn some really fun games to help you increase your dog's attention, focus and connection to you!!! As dogs grow up, they go thru phases, during some of these phases we are the center of their universe and they are always choosing to be in close proximity to us!!! As they become more confident and independent, the environment can begin to take on more value and become a major distraction for your dog's attention. Your dog may find it difficult to manage their arousal level in different environments. How you prepare for and respond in these instances will establish a solid connection for your future teamwork!!! Increase the tools in your toolbox to build your dog's confidence, combat these distractions and regain your rightful position at the center of your pup's universe! This workshop is for dogs of all ages - it is never too late!!!!
